SUMMER OF THE MIGHTY MOUNTAIN 2020

**CAL
WOOD**

Located just shy of 8000 feet on 1200 acres of private wilderness, Cal-Wood Camps has been connecting children to the mountains for 38 years. We celebrate wonder, adventure, and friendship while fostering a respect for the outdoors, each other, and oneself. Each camp features a creative themed design to drive new opportunities and experiences for campers. Every camp offers core activities like archery, arts & crafts, and fishing. New this summer! Choose your own adventure during registration; whitewater rafting, mountain biking, rock climbing and horseback riding. Also, choose Base Camp and sleep in rustic log cabins or choose Outpost and sleep in large tents at a nearby campsite. Base and Outpost follow the same themed schedule and eat most meals in our beautiful lodge. Base Camps feature an onsite campout where campers will learn to sleep, eat and play comfortably in the outdoors meanwhile, Outpost will spend the night at Rocky Mountain National Park, exploring a nearby trail the next morning. We hope that each camper leaves Cal-Wood feeling mighty - ready to summit life's many mountains.
